MOTION FOR EXTENSION OF TIME

Undersigned counsel for Appellant files this Motion for an extension of time to file the Initial Brief of Appellant and Designation of Matter to be Included in the Record on Appeal for an additional thirty (30) days. This motion is based on the fact that undersigned counsel has not had an opportunity to finalize the documents to be filed as a result of other court obligations, and the parties are in negotiation for a possible resolution of this matter.

Undersigned Counsel believes that a thirty (30) day extension will be sufficient to enable counsel to prepare these documents for filing, and possibly bring this matter to a negotiated settlement.

I have conferred with opposing counsel and he has no objection to granting this extension.
