APPELLANT'S AMENDED MOTION FOR AN EXTENSION

Appellant, William Sherman, hereby moves for a thirty (30) day extension in which to file the Initial Brief of Appellant and Designation of Matter to be included in the Record on Appeal.

The Initial Brief of Appellant is currently due on July 7, 2017. Two hearing transcripts were requested relative to this appeal. The first hearing transcript was received by this office on April 12, 2017, and the second hearing transcript was received on June 9, 2017. This is Appellant's first request for an extension. The extension is needed because Counsel was recently involved in a separate matter involving another party to this same collision that may have had an affect on this matter and thus the appeal. Appellant respectfully requests an extension of thirty (30) days. The undersigned has attempted to contact opposing counsel regarding the Motion for an Extension though no response has been received.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'M. LaFave', written over a horizontal line.
