Re: Larry Edward Hendricks v. SCDMH
Appellate Case No. 2016-002582

Dear Madam Clerk,

I am in receipt of your July 3, 2017 letter which I received on July 6, 2017. Please take note that I have sent you all correspondence that I have received regarding the transcript in the above matter. I am at a standstill and am in a very awful position because I lack access to a telephone, email, or the internet. As such I only can depend on the U.S. Postal Service to communicate.

The last I heard from the Court Administration, someone would be in contact with me. As of this writing, I have nothing from any court reporter. As I tried to bring to the court's attention earlier, my appeal is based upon the written orders of the lower court, which

I already have access to. There is nothing in a transcript that has any value to me in this appellate matter. I understand that the Respondent feels some need for it, and I am doing everything in my power to obtain it, have it copied, and forwarded to the Respondent. I lack the resources to do any more than I have already done.

I appreciate the court's indulgence and only seek judicial review, not to prejudice the Respondent in any manner. If there is a remedy that I am overlooking, please let me know, and if it is in my limited power, I will do it.

I have only three questions to present to the court, regarding previously filed lower court decisions, so it is not me that is dragging out this process, and I am ready to proceed.

I appreciate your patience and look to move forward in the appellate process. Have a good day!

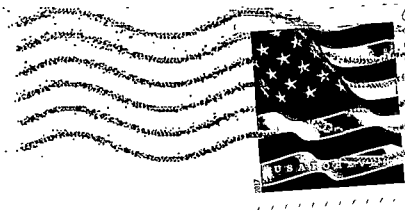

Sincerely,
Larry Edward Hendricks
Larry Edward Hendricks
