Re: Tommy G. Houston v. Garda World Security  
Appellate Case No. 2015-002120

Dear Counsel:

Upon review of the record on appeal, pages 116 through 184 are not in compliance with Rule 267(c) of the South Carolina Appellate Court Rules which requires that all papers filed with the court contain a standard 12-point or larger type size. Within ten days of the date of this letter, we request a supplemental record on appeal with the transcripts contained on pages 116 through 184 of the record on appeal reproduced according to the following ratio: one page of the transcript to one page of the record on appeal. We will relax the rules and allow you to file only one unbound original copy of the supplemental record on appeal.

Very truly yours,

A handwritten signature in black ink, appearing to read "Jenny A. Kitchings". The signature is fluid and cursive, with the first and last names being the most prominent.
