COMES NOW the Appellant, Jeremy S. Brady, respectfully motioning this honorable Court for an enlargement of time wherein to file the pro se Anders brief in this case. The present deadline is July 31, 2017. The Appellant requests an enlargement of ~~90~~ sixty (60) days from the deadline to a new deadline of September 30, 2017. The following facts establishes good cause shown to substantiate this request:

1. I'm housed in the Marian Dorm on Broad River Prison compound.
2. The Marian Dorm had been locked down security status for two (2) weeks from approximately June 20, 2017 because inmates assaulted Captain

Yang and Captain Reese.

3. The Marion Dorm was supposed to be released off lockdown on July 11, 2017 but on this day inmates assaulted Sergeant Khan and the Marion Dorm has been placed on security lockdown status.
4. I am currently, and have been continuously, subjected to security lockdown since approximately June 20, 2017 and this lockdown is not because of my bad behavior.
5. I am restricted and denied to go to law library because of the security lockdown I'm subjected. I have asked to be allowed law books brought to me and I have not received an answer to date to when I will be allowed the legal material to do this pro se Anders brief.
