The Appellant moves that the Honorable Court of Appeals compel the Respondents to comply with The SC Court of Appeal Rules 208 and 209 as our S.C. Supreme Court ruled in Henning vs. Kaye (1992). When the S.C. Supreme Court advised Council that the S.C. Court of Appeals Rules (SCCAR) are not mere technicalities, but provide the parties and the courts with a mechanism through which to guide appeals in this State. It is incumbent on Council to provide material that complies with the RULES and facilitates Appellant review.(Henning vs. Kaye 307 S.C. 436,437.415 S.E. 2d 794 (1992).

The Appellant moves that SCCAR #208 states References to Record ...In the Initial Briefs, these references should be to the page and line number of the transcript prepared by the court reporter or by the of the material to be referenced... (SCCAR 208,B,4)The transcript the Respondent is citing is the transcript the

Appellant was required by SCCAR to order from the court reporter (see letter From Clerk of Court pg. 5), and the Respondent has not added the line number Causing an unfair position to the Appellant. 2) SCCAR #209 states ...the

Designations must clearly identify what the party desires to have included in The Record on Appeal and that the Designations may only propose to include portions of the transcript, pleadings, orders...(SCCAR 209,B). The Respondent has proposed to include entire depositions and transcripts instead of portions which is not in compliance with SCCAR 209.
