The undersigned is informed and believes that the Brief and Designation of Matter will be completed within the additional thirty days requested, and that the Appellant will not be prejudiced by the extension sought by this Motion. Appellant's Counsel has indicated that he does not object to the extension. Respondents' Counsel requests this extension as a result of an extremely busy schedule and a family home move in the last three weeks.

As indicated above, this is the first request for extension of time by the Respondents Gantt and White.

Respectfully Submitted,
