Sorry for the delay in responding. I have estimated the length of the transcript to be approximately 125 pages. At our rate of \$3.25 per page, the estimated cost of the transcript will be \$406.25. Once I receive a check in that amount, I will put the transcript in line for transcription.

Under the rules we have 60 days in which to complete a transcript. If the cost turns out to be less than the \$406.25, the overage will be refunded to you. If it turns out to be more, I will send an invoice reflecting the balance due.

If you have any questions or need anything further, please let me know.

Thank you.

Dear Ms. Johnson:

I received the following letter from Ms. Ambroziak. The letter states that she was not the court reporter at all in this matter. I assume that you took down the two days testimony. If you will let me know the cost of the transcript, I will send you a check as quickly as possible.

Sincerely,

Robert J. Butcher
