

# The South Carolina Court of Appeals

Ernest Battle #165247, Appellant,

v.

South Carolina Department of Corrections, Respondent.

Appellate Case No. 2016-002412

---

## ORDER

---

Respondent filed a motion to require Appellant to correct the record on appeal. In response, Appellant has filed a supplemental record on appeal. Due to the receipt of the supplemental record on appeal, this court will take no further action on Respondent's motion to require correction of the record on appeal.

Additionally, this court construes Appellant's May 22, 2017 filing as a request to relax this court's filing requirements. The request is granted. Appellant is permitted to file only one copy of the record on appeal and final brief with this court. Appellant is still required to serve Respondent with copies of all filings, including the final brief and record, as well as all mailings to this court. The covers may be of any material and in any color, and must contain only the caption. *See* Rules 210, 211, 240, SCACR.
