Case # 2013-002082

SC Court of Appeals

Dear Ms. Kitchings:

I would like to apologize for my lack of proper communication lately. I have not meant to be disrespectful to your office or the court.

Because of my disabilities, my thoughts some time are more fleeting than I would like. I am praying that the complications from two strokes and lupus subside, that I have the opportunity to have the truth revealed and this relatively simple case of breach of contract on the part of my esteemed former husband and his supporters, Mr. Chasteen and in small part Mr. Lee Daniel spotlighted as a case similar to President Trump's problem with the Russian conspiracy: That is there is no Burger there. I have a fabulous recall of most all events of my life with the exception of being put to sleep by my cancer surgeon who untwisted my intestines and remove the cancerous tumors of candida yeast pockets.

For his talent, his skillful cutting up of my body I will be for ever in his debt. and will hopefully be able to pay off some of the \$70,000.00 bill still outstanding for his services.

Today, I have faxed a copy of the receipt from the professional service of my cab driver hired to comply with Service of the recent documents to Mr. Chasteen.

The Driver's name is "O'neil". I don't know if that is a last or first name. As I have document previously. He found no one available at any of the multiple doors, except Mr. Anderson, Mr. Chasteen's law partner, who graciously promised to see that Mr. Chasteen received the papers.

He and a lady, who was very likely his wife were entering the down stairs back door. I was not invited in on that

occasion althought I had worked with another of their part-  
ners when thscase began, Mr. James Fayssoux and his son an  
attorney as well. MR. anderson set me up an apointment with  
him for a few hours ,as mr. Anderson was too busy to handle  
myrefferralby Mr. J.D. Todd who handled only learge  
construction matters, ssuch as Ashmore Brothers..

I had no idea at all who rogers Reeves had selected at that  
time, but all attorneys were completely briefed on my case  
- breach of contract by My Landlord, trust and Ex-husband.,  
whom I had completely trusted to proect. Our children's  
futurewhich was ccritiacally Important to me as: Our son  
has autism and Learning disabilities, per his pediatrician  
and Rogers neuro surgen.

Sincerely,

*Goldie Reeves*
