Re: State v. Muttaqin Abdullah

Mr. Abdullah:

I have received your letter of May 8, 2017 regarding not having received the above transcript within 60 days. On January 22, 2017 I mailed you correspondence with the cost of the transcript being \$1485.25 and that upon payment of the transcript I would produce the transcript and mail it to you. To this date I have not received payment of the transcript so, therefore, you are correct, you have not received the transcript.

I reiterate to you as I did in my first letter to you, the transcript is 457 pages long, estimated. At \$3.25 a page, the cost for the transcript is \$1485.25. Upon payment upfront by money order ONLY made out to me, FRANCES RAY, I will produce the transcript for you.

Kindly,

A handwritten signature in cursive script that reads "Frances Ray".
