Dear V. Claire Allen,

I got a letter from you on 2-27-17 where I tried to appeal my case "Appellate Case No. 2016-002007" I wrote my public defender trying to get my transcript so I can file for PCR. He wrote back and said that the Court of Appeals should have appointed me a lawyer and since I am indigent, that lawyer would be able to send me a copy of my transcript. I have heard from no one and have no idea who was appointed to me by the court of appeals. Can you please give me the name of my lawyer and contact info so I can get my PCR filed. I have until September to file and that's not far away. Thanks for any help that you can give me on this matter.

Sincerely

Timothy Stanton # 217498
