Re: The State v. Terry McCall
Appellate Case No. 2015-001097

Dear Ms. Kitchings:

Please allow this letter to serve as an update in the above captioned case. I have received the reconstruction transcript. However, it is my understanding that Judge Stilwell has requested guidance from the Court of Appeals as to whether the Court requires a written order finding that the missing portions of the record can be reconstructed.

While deferring to this Court's determination of the proper course of action, I have advised Judge Stilwell that I would prefer a written order specifying the contents of the missing portions of the trial record. Please advise how the Court wishes to proceed and please contact me with any questions or comments.

Sincerely,

John H. Strom
Appellate Defender
