In Re: James Thorpe v. Town of Bowman, et al.
Appellate Case No. 2017-001408

Dear Diane:

Thank you for speaking with me today regarding the status of the above-referenced matter.

This letter will confirm that I do have a copy of the transcript of the hearing held before the Single Commissioner in this case, and received that transcript before the Notice of Appeal for this matter was filed in the Court of Appeals.

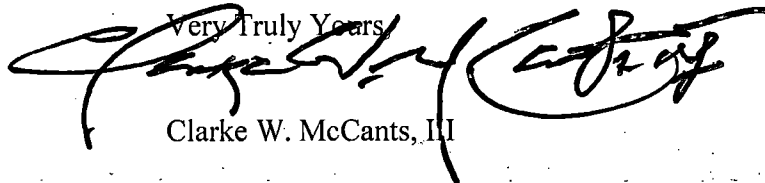

I have this date ordered the transcript of the hearing before the Full Commission in anticipation of including all or part of it in the Record on Appeal for this case.

As the Full Commission hearing was relatively short in time, I hope that we will receive the transcript for that hearing within the additional period of time I requested to file my Initial Brief and Designation of Matter to be included in the Record on Appeal for this case. I will, of course, advise you when the transcript is received by me.

Thank you again for your assistance as part of this matter. If I should provide any additional information to you, please advise me in that respect.

With best regards, I remain

Very Truly Yours

Clarke W. McCants, III
