v.

MOTION FOR EXTENSION OF TIME

SC Court of Appeals

20/20 Auto Glass, LLC respectfully requests an extension of ten (10) days in which to file Appellant's Reply Brief. According to Appellant's calculations, the reply brief is currently due on July 27, 2017, and if the extension is granted, Appellant's reply brief would be due August 7, 2017. The reason for the extension request is that Appellant's lead counsel has had scheduling conflicts with out-of-town depositions, that have prevented him from having sufficient time to complete the reply brief within the ten (10) day time frame allowed by rule. This is Appellant's first request for an extension for the reply brief, and the undersigned has consulted counsel for Respondent, who has expressed that he has no objection to Appellant's request.
