R: Appellate Case #: 2017-001435

Ms. Kitchings,

I called yesterday and this morning both at which time I was transferred to Ms. Snow's voicemail. So I ask the person answering the phones on 08/03/2017 how to go about getting the order to proceed in *forma pauperis* reevaluated for consideration because of financial circumstance I cannot pay the filing fee that was denied. That agent told me that I needed to just type up a correspondence stating why I cannot pay that filing fee and ask for a reconsideration of that and to provide as much information as I could. She stated then once you guys receive that you can either request that I file another motion of *forma pauperis* or deny the request and then must provide a date for me to have it paid by. She also informed me that I needed to send copies of the correspondence to all parties that are "CC:" on the correspondence from your office dated 08/01/2017 and then also fax that to your office for a quicker response. I am trying to get all of this done by the end of the day and have one small question about all the "CC:" individuals on the correspondence. They all are agents of Scott and Corley, P.A. so am I required to send each one of them individually a copy of the correspondence or can I just provide them with one copy addressed to the law firm of Scott and Corley. I just need that answered as soon as possible today so I can get all of this paperwork typed, mailed, and sent to your office as well since there is a time frame stated on the initial correspondence.

Sincerely

Robert C Butler
