SC Court of Appeals

Re: *Polly Thompson v Cathy Swicegood*
Appellate Case No.: 2015-001860

Dear Mr. Wilkes:

The Record on Appeal is incomplete. It fails to include everything Respondent listed in her Designation of Matter. Specifically, the following are missing:

- Respondent's Exhibits (listed in #5 of Respondent's Designation of Matter.)
- Appellant's Notice of Appeal (listed in #11 of Respondent's Designation of Matter.)

In addition, your Index to Volume I is incorrect, and Volume II has no index at all.

Based on correspondence from you, it is my belief that you will amend or supplement the Record on Appeal without the necessity of my filing a motion with the Court. If I have misunderstood, please let me know immediately.

Sincerely yours,

Margaret A. Chamberlain
