

# The Supreme Court of South Carolina

Patrick Lee Booker, Petitioner,

v.

State of South Carolina, Respondent.

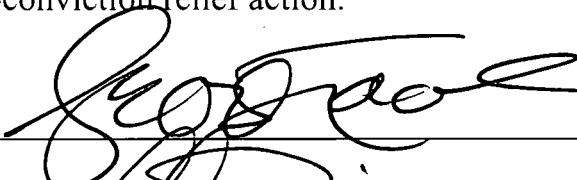

Appellate Case No. 2012-212979

---

## ORDER

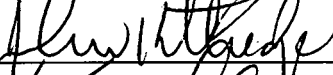

---

By order dated October 9, 2012, the notice of appeal in this matter was dismissed. Petitioner has now filed a petition for rehearing in which he asks this Court to reconsider the dismissal. He also asks for permission to file a post-conviction relief action in the circuit court, as required by an order issued by this Court on April 7, 2010, prohibiting petitioner from filing any further collateral actions in the circuit court challenging his convictions from 2003 without first obtaining permission from this Court to do so. We deny petitioner's request for reconsideration of the dismissal of the notice of appeal in this matter and his request for permission to file a post-conviction relief action.
