To whom it may concern,

This letter is in regards to my appeal. I was told by both of my public defenders that I would receive time served for my charges because I have three holds on me in north Carolina. My public defender did not mention all of my holds in court was willing to say I was guilty and take the conviction just to get this behind me July, because I was told I would receive time served. The judge asked me if I was pleased with my public defenders. I told him yes. Because I was expecting time served. After the judge asked me what he gave me five years. And the way he told me I did not understand until after court when my public defenders explained it to me. This is Jimmy Kanipe I am not pleased with my public defenders or the outcome of this case. Please consider this a good enough reason for an appeal.

Thanks
