

The South Carolina Court of Appeals

Center Pointe Apartments, Respondent,

v.

Aaron Washington, Appellant.

Appellate Case No. 2017-001602

ORDER

The pro se appellant has filed a notice of appeal from a magistrate's court notice of ejectment in Case No. 2017CV10101082. Such a notice is not directly appealable to the South Carolina Court of Appeals. See S.C. Code Ann. § 14-8-200 (Rev. 2017)(stating that the Court of Appeals has jurisdiction from an order, judgment, or decree of the circuit court, family court, a final decision of an agency, a final decision of an administrative law judge, or the final decision of the Workers' Compensation Commission). Because this Court has no subject matter jurisdiction in this case, the appeal is DISMISSED.
