

⑤ State of South Carolina v. Lakendrick D. Pryor
Appellate Case NO.: 2017-001537

I'm writing the Letter for Ineffective assistance. In which I asked my Attorney to get pictures of Mr. Smalls who stated he was treated at the hospital for wound on his face claiming I struck him in the face with a gun which is stated to be a false report case No. 2016A081040177. Mr. Smalls also stated that he was dropping someone off but he knows that he really was looking for drugs. In case no. 2016A0810401745 The victim Mr. Joseph follow me and my co-defendant home from B.F.E Bar. In which I was driving my co-defendant's car a black Crown Victoria, I didn't have any words with the victim at the bar nor have I ever seen him before. The victim stated that I was unarmed In which Tyrone Campbell told police he seen me shoot now is it the victim states I wasn't armed but a man from 300 yards away can see between cars that's impossible. I fact my co-defendants Sister paid tyrone Campbell to write this false statement on me. My first case is with my stepfather in which we all live together at 219 Pooh lane, In which we both know our wrongs on both part in which he dropped the charges on me, In the month of July 2015 I was being held at Hill-Finklea Detention center when I called home to talk to my mom Jose which is my stepfather took the phone from my mother bringing me saying I'm not hurt pay me 3500 and I'll drop the charges I wrote my Attorney and told her about the call in which was not listened to. Jose also wrote a statement saying that he started all of this! Their was also statements from my Aunt Lisa & Incc Dean Perry that Jose was planning to do something to me. Everyone knows my stepfather is abusive, In which he is out on bond now for pulling a firearm on my mother Jistine P. Evans & My Uncle Dean, In which he knocked my mother Down and Continued to kick her in her back! I also know I Lakendrick Dante' Pryor has the Right to expect that my Attorney

will use Every Skill, Expand every energy, Tap every legitimate resource in exercise of Independent Professional Judgement on Behalf of me the defendant and in undertaking Representation Frazer V. United States 18 F.3d 778, 779 9th Cir. (1994). 6th Amendment which I feel was violated due to I don't feel as though my Attorney did duty of loyalty, Unhindered By state or by counsel Constitutionally deficient performance. I am also aware that the case numbers given to me are not the same as my warrants and I was not given my sentence sheet. I only took the plea of 20 yrs. Due to (Duress 274 F. Supp. 1002, 1005) I feel as though I was being threatened with LWOP. I was also told that the plea I was given was on table back in December of 2016, to which of my knowledge my Rule 5 wasn't even looked over by my attorney at the time, in which she still accepted the plea! I'm really thankful that you took the time to read this letter because I'm really desire help!

Sincerely,
Lakendrick D. Pryor
