SC Court of Appeals

On the Issue #1 I took the plea due to the stress of possibly getting life if I were to take my case to trial I am trying for an appeal because I feel as though I was pressured to take a plea.

Issue #2 I also believe if I took the case to trial that it would have been an unfair trial do to the fact that the victims Uncle works for Lancaster county sheriffs office so there for agin I state I took the plea do to being pressured.

Issue #3 I also believe that the trial would have been unfair and stacked against me do to the prosecuting J. Rumbaugh - 0195 had falsely claim to have previous dealings with me. Also the Victims uncle J- Kirk - 6639 and J- Rumbaugh work in the same county therefore I believe it should have been a conflict of interest.

SC Court of Appeals

In closing I am filing for an appeal to have my time reduced for the reason I have stated and some that I have not and would also like to have case number 2016GS2900303 run concurrent with the rest of my charges. And I would like to have court in a different county if at all possible because I believe the victims uncle has too much influence in Lancaster county. Thank you for your time and consideration.
