RE: State v. Stephanie I. Greene

Appellate Case No 2014-000764

Dear Mr. Shearouse;

Can you please tell me what on earth is going on with my case? It's been more than 14 months since oral arguments were heard, and the bond

petition has been filed back on May 25, 2017. What is going on!?! There should have been way more than enough time for an opinion to be written and published!

Has my paperwork been lost? Have I been forgotten about?

Do the justices even know a ruling has not been made?

Why will they not at least grant me a bond, since it has been such an inordinate amount of time!!! This

is heartless and cruel! Is there no time limit for the court to decide cases? Who can I contact

with my concerns? I am so depressed and discouraged

and tired of being heartbroken and discourage - week after

week after week. Please HELP, I can't understand this at all!

Can you please pass along my concerns

with the justices? Why is the state keeping

me from my family? I NEED to be home with them! This has gone on long enough.

Sincerely,

Stephanie Greene
