Re: Bryan v. SCOC, 2012-212915

Dear Hon. Clerk.

~~On 01/11/12 I filed to your court appeals in two cases: 2011-ALJ-04-01005 (BRCI 0597-11) & 2011-ALJ-04-01006 (BRCI 0697-11), in which Mr. Robert M. Peele, III was opposing Counsel. The Appellate Case No. 2012-212915 is for which case?~~

## REINSTATEMENT/RECONSIDERATION

The issues in both appeals as concerning adequate medical attention protected rights of the S.C. Const. in which I have a liberty interest. I **HEREBY** move for Reinstatement/Reconsideration in light of Ex Parte Martin, is in conflict with S.C. Constitutional mandate, I **HEREBY** move for leave to file a Brief challenging its unconstitutionality!  
**WHEREFORE**, such relief I pray.
