

The South Carolina Court of Appeals

Porthemos Curry, Respondent/Appellant,

v.

Carolina Insurance Group of SC, Inc. and Maurice
Derrick, Appellants/Respondents.

Appellate Case No. 2016-000986

ORDER

On January 12, 2017, this court issued an order holding this appeal in abeyance for the circuit court to resolve Respondent/Appellant's Rule 60(b), SCRCP motion. This court also declined to act on Respondent/Appellant's pending motion to amend the initial briefs to include arguments relating to newly-discovered evidence until the Rule 60(b) motion was resolved.

Respondent/Appellant has now renewed his motion to amend, explaining that the circuit court issued an order on the Rule 60(b) motion on August 1, 2017. Respondent/Appellant, however, has not provided this court with proof that he has served a notice of appeal from the August 1, 2017 order. Accordingly, this court will not consider Respondent/Appellant's motion to amend unless Respondent/Appellant serves and files an amended notice of appeal referencing the August 1, 2017 order.
