Dear Ms. Carter,

I am the self-represented appellant in the above-referenced case.

I received the attached order denying Petition for Panel Review on today. I believe the attached order erroneously refers to "Appellant's Motion to reconsider". I have never filed a Motion for Reconsideration or Motion for Panel Review.

Please advise whether the Clerk's office can correct this administrative oversight or do I need to file a formal motion?

I am cc'ing opposing counsel a copy of this email.

Best wishes,

Sincerely, Ernest E. Yarborough
