Ms. Carter,

I checked my file and discovered that the Motion for Reconsideration was filed by the Respondents and served on me July 5, 2017 by mail. Therefore, I respectfully request the Clerk of Court to correct the error in the order that I previously scanned to you.

If you require me to file a formal motion, please advise.

Sincerely, Ernest E. Yarborough, J.D.

Dear Ms. Carter,

I am the self-represented appellant in the above-referenced case.

I received the attached order denying Petition for Panel Review on today. I believe the attached order erroneously refers to "Appellant's Motion to reconsider". I have never filed a Motion for Reconsideration or Motion for Panel Review.

Please advise whether the Clerk's office can correct this administrative oversight or do I need to file a formal motion?

I am cc'ing opposing counsel a copy of this email.

Best wishes,

Sincerely, Ernest E. Yarborough
