To whom it May Concern!!! I would like
Vall to Consider my Case, And grant me A new trial
Because i found several loop holes in my Case; 'they
straight fact^{2.00} for 1 my photo live up or should i say the
Mugshot they use of me wasn't Right; ~~Fact~~ Exact, because
Out of 6 people my picture stood out like A sore thumb, And
the victim pic my picture out of the live up. whers im the
only one that Brown skin! the rest of the picture the
people was dark skin. And the victim even changed his ~~st~~
statement once they found their vehicle; the investigator
Interrogated them the 2nd time. My Third issue i found
is for the Attempted Murder that was ON Marcus Brown which
is wat i caught the most time from which is 24 yrs. He lied
Before the judge; ON the Bible that i hit him so hard that
the left Rearview mirror Came off the vehicle, And he swore
to tell the whole truth, And nothing, But the truth. I Can
prove that both Rearview mirrors Are still ON the vehicle
wit my picture From my motion of discovery. And

In the picture it clearly show both rearview mirrors on the vehicle as clear as day. so that's one eye officer Brown told (4th issue) My Solicitor Luck Campbell used A shoplifting charge that i had pending in Lexington County to convince ~~that~~ the Jury that; That's me on camera committing the crime in Walmart taking A camera, And wearing A white shirt, And Blue jeans. And this same charge they used to convince the jury that that's me on camera got dismissed About 4 to 5 month's Ago. Therefore i feel this should pretty much put the icing on the cake letting you know that they trick me in my First Trial.

Im Also housed in A psychiatric Hospital, because im stressed About my direct Appeal, And im missing my family! i hope you take this letter in consideration. And grant me A Fair Trial, please - Thank-you.
