

The South Carolina Court of Appeals

John McDaniel, Employee, Claimant, Appellant,

v.

Career Employment Professional d/b/a Snelling Staffing,
Employer, and United Wisconsin Insurance Co., Carrier,
Respondents.

Appellate Case No. 2017-001217

ORDER

Respondents have filed a motion to strike portions of Appellant's designation of matter, arguing certain items were not admitted by the Commission into the record below. Because Appellant has asserted that all items were presented to the Commission as set forth in Rule 210(c), SCACR, the motion to strike is denied. Nothing prevents Respondents from referencing in their brief any documents included in the record that were not admitted below and arguing that those documents should not be relied on by this court.
