

STATE OF SOUTH CAROLINA
IN THE COURT OF APPEALS

Appeal from Lexington County
Honorable D. Garrison "Gary" Hill, Circuit Court Judge

APPELLATE CASE NO: 2016-001901

RECEIVED

The State,

Respondent, 6/29/2017

Billy John Geisendorff, v.

SC Court of Appeals

Appellant.

MOTION FOR REQUEST FOR EXTENSION OF TIME
Pursuant to Rule 234(b), SCACR

The Appellant, above, respectfully moves this Honorable Court for Extension of time, pursuant to Rule 234(b), SCACR. The reason(s) for request are as follows:

1. Appellant is pro-se and is not represented by counsel.
2. Appellant is a layman and unskilled in the mechanics of law and is unfamiliar with state court litigation.
3. Appellant seeks the 30-day enlargement in good faith and not in attempt to delay this Court's time.
4. Applicant needs the additional time because; this Prison Institution is constantly going on lock down, which hinders me from going to the law library to do legal research.
5. my Appellate lawyer John Strom sent my Anders material to me but the mail room here at the Broad River Institution held my mail; my lawyer had to resend it. Mr. Strom said that he called you for my extension.
6. Appellant, also needs extra time to continue legal research for his pro-se brief. Appellant is allowed only one day a week to go to the law library. This places a great burden on Appellant to do legal research.

Therefore, due to these unfortunate series of events and circumstances, the Appellate hereby request an extension of time in which to properly reconstruct and file his pro-se brief to present to this Honorable court.

CONCLUSION

Wherefore, based on the foregoing, Appellant respectfully prays that this Honorable Court will grant the requested enlargement of time of (30) thirty-days in the instant matter.

Respectfully submitted,

~~Billy Geisendorff~~
