rel State v. Stephanie J. Greene

Appellate Case No 2014-000764

Dear Mr. Shearouse;

I have discussed my concerns with my attorney, "Rock" Wise. He is clueless as to what could possibly be taking the court such an inordinate amount of time to issue a ruling; And unwilling to look into the matter or pursue my concerns. I cannot just sit idly by and wait and be heartbroken week after week. Rock was just "sure" I'd have been home LAST CHRISTMAS. Now I fear I'll be stuck here for ANOTHER holiday season for a crime I DID NOT commit!!! Surely, you have to concede that ALMOST 15 months is an exceptionally long time to not have a ruling on a case and I do not understand why the court will not move on a bond if they are going to keep dragging things out. The state is robbing me of precious time with my family and stealing my life from me.

Please let me know who can help or share my serious concerns with the Justices. I truly feel forgotten.

Do they even know they still

haven't ruled on my case or bond

Are you sure my paperwork hasn't been lost???

Sincerely,

Stephanie J. Greene
