I just noticed the date was June 16th on the invoice. Would you change it to today please? Accounting will give me a hard time about it. Thanks!

Hi, Jennifer. I estimate the cost to produce the remaining portion of the transcript to be \$760.50. That does not include postage or e-tran fee should you prefer that. Attached please find my estimate invoice for same. Advanced payment is required, as you know, prior to transcript production. Upon receipt of payment I will have 60 days in which to produce the transcript. Thank you.

Hi, Jennifer. I have completed an excerpt of testimony from the trial referenced above for opposing counsel. They requested all motions made prior to closing statements, closing statements of both attorneys, and motions made after the judge's charge on the law. If you would like a copy of this, please forward your check to me for \$94. Upon receipt of payment, I will email the copy of this excerpt to you.

Thank you,

Bonnie Kelly
