

The South Carolina Court of Appeals

Aminah A. Richburg, Appellant,

v.

E.A. "Rico" Williams, Director, District One S.C.
Basketball Officials Association, and the South Carolina
High School League, Respondents.

Appellate Case No. 2017-001147

ORDER

Respondents have filed a joint motion to dismiss this appeal, arguing Appellant failed to timely serve the notice of appeal. Because Appellant filed proof that she served the notice of appeal on May 24, 2017, the motion to dismiss is denied.

Appellant's motion to order the transcript out of time is granted. Appellant is reminded that Rule 207, SCACR, requires Appellant to order a transcript of the entire proceedings below unless the parties agree otherwise in writing.
