

The South Carolina Court of Appeals

Davisair, Inc and Gary Davis, Respondents,

v.

Corporate Air, LLC and Cam Investments, Inc.,
Appellants.

Appellate Case No. 2012-212725

ORDER

Respondent has filed a motion to dismiss, contending the appeal from the underlying order compelling discovery is interlocutory and frivolous. After careful consideration, Respondent's motion to dismiss is denied. While orders compelling discovery are generally not immediately appealable, in this instance, the discovery order provides some of the ultimate relief prayed for by respondent in the complaint and thereby affects the merits. *See* S.C. Code Ann. § 14-3-330(1). Accordingly, we deny the motion to dismiss.
