The Honorable Jenny Abbott Kitchings  
Clerk, South Carolina Court of Appeals  
HAND DELIVERY

Re: Odom v. Wilson, et al 2012-210914

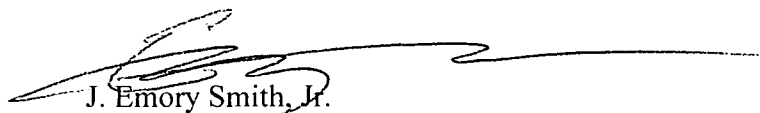

Dear Ms. Kitchings:

Enclosed for filing with your Office are the original and 14 copies of the Respondents' final brief together with a Rule 211, SCACR statement and a certificate of service.

I note that, for the final brief, I removed the "R. p. \*" at the end of the following sentence on page 2 of the initial brief: "The Plaintiff filed a Notice of Dismissal of all other defendants dated September 2, 2011." I inadvertently omitted in the initial brief the actual document to be referenced in the Record pursuant to Rule 208(b)(4), SCACR. None of the parties to this case designated the Notice itself for the Record. Although the Dismissal is referenced in the Order under appeal, because that reference was not cited in the Initial Brief, I believe that the blank R. p. \* is essentially a typographical error, and so I omitted it from the Final Brief. If you have questions regarding this matter, please let me know.

Thank you for your assistance.

Sincerely,

J. Emory Smith, Jr.  
Assistant Deputy Attorney General  
Counsel for Respondents
