Woodruff SC 29388

Re: GBS Building Supply, Inc. v. QMM Development, LLC
Appellate Case No. 2017-001183

Dear Mr. Meredith:

Upon reviewing your appellant's initial brief and designation of matter, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The accompanying proofs of service are not in compliance with the SCACR. Your proofs of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. Neither proof of service submitted contains the name of the document being served. The proofs of service filed state that the Notice of Appeal has been served.
- The caption/title does not comply with Rule 267(a), SCACR. Specifically, the table of contents must not be included on the cover of the brief.

Very truly yours,

V. Claire Allen, Deputy

CLERK

cc: William Duffie Powers, Esquire
