

The Supreme Court of South Carolina

Jackie Harris, Appellant,

v.

Lancaster County Election Commission, Lancaster
Municipal Election Commission and Linda Blackmon-
Brace, Respondents.

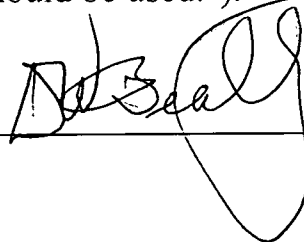

Appellate Case No. 2017-000423

ORDER

Respondent Linda Blackmon-Brace moves this Court to strike the amended initial respondent's brief of the Lancaster County Election Commission. The Commission opposes the motion. Appellant moves to seal the record in the case. Respondent Blackmon-Brace opposes the motion, in part.

The motion to strike is granted. The Commission's amended respondent's brief fails to comply with this Court's order of June 16, 2017, and is stricken for the reasons set forth therein. We decline to give the Commission another opportunity to file an amended brief.

The motion to seal is denied. However, appellant shall, within ten days of the date of this order, file one redacted copy of the record. All addresses of non-parties should be redacted from all portions of the redacted copy of the record in the manner set forth in *In re Revised Order Concerning Personal Identifying Information and Other Sensitive Information in Appellate Court Filings*, 407 S.C. 607, 757 S.E.2d 421 (2014) ("If a home address of a . . . non-party must be included, only the city and state should be used.").
