Appellate Case No. 2017-001221

SC Court of Appeals

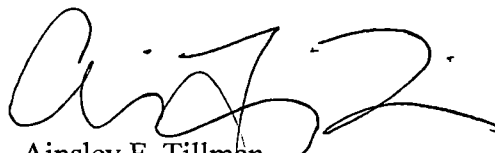

Dear Ms. Kitchings,

I represent the Appellants in the above-referenced case. The initial brief and designation of matter to be included in the record are due on September 13, 2017; I have already been granted two extensions in which to file them.

Please know that I truly wish that I were not asking for another extension. However, as of this writing, it looks like Hurricane Irma will arrive here in Charleston on Monday. In the event that I may need to evacuate myself and my family, and because of the probability that we will be without electricity for some time afterward, I am writing to request an extension in which to file my brief and designation of matter in this case. Although I am hereby asking for a 30 day extension, that request is in abundance of caution and without knowledge of the state of my law office in the aftermath of the storm. I sincerely promise that I will file the brief and designation of matter as soon as is feasible. I have spoken with Hamlin O'Kelley, the attorney for the Respondents, and he consents to this proposed extension. I am enclosing the filing fee with this letter.

I greatly appreciate your assistance with this matter. I am also grateful for the kind words of Amelia, the clerk for this case, who was calm and nurturing at such a stressful time. Please do not hesitate to contact me with any questions that you may have, and please be safe in the coming days.

Yours very truly,

Ainsley F. Tillman
