Ms. Kitchings,

On September 7<sup>th</sup>, my office faxed and mailed the attached motion seeking a fifteen-day extension of time to file appellant Rick Thoennes III's initial brief and designation of matter to be included in the record on appeal. The current deadline is the 13<sup>th</sup> and we sought an extension until the 28<sup>th</sup>.

Our office lost power on Monday due to Hurricane Irma and power still has not been restored. Additionally, a tree fell through the roof of my home (no one was there fortunately). I have been out of the office dealing with that disaster since yesterday.

I wanted to make the Court aware of our circumstances and add these reasons to our previous request for an extension of time to file our initial brief. Fifteen days remains sufficient time. Please let me know if I should file an additional motion or how to best address this request to the Court.

Thank you for your help. I have copied opposing counsel on this communication.

Thank you,

Adam
