Re: Harold Mosley, #137525 v. SCDC  
Appellate Case No. 2012-212195

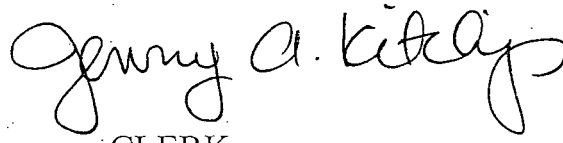

Dear Counsel:

Please see the attached order in the above matter.

The Court confirms receipt of more than one appellant's final brief and an additional record on appeal, which we are returning to you. You are reminded that an appellant's final brief has already been filed with this Court.

In accordance with the attached order, the Court anticipates receiving one supplemental record on appeal. If you wish to amend the appellant's final brief, then you may serve and file an amended final brief within the time frame given in the attached order. The correct case caption must be included on the documents that you file and each document must be accompanied by a certificate of counsel and proof of service. Please see Rules 210 and 211, SCACR, for guidance. Appellant's motion in opposition and motion to supplement are moot in light of the Court's resolution of Respondent's Motion to Compel. Thus, the Court declines to consider these motions.

Very truly yours,

  
CLERK
