CLERK OF COURT

LYNN W. LANCASTER

We, the plaintiffs in this civil action do make the following claims:

That the city responded to what they described as a "911 hangup from a verizon (9116436081) number, with GPS placing the call at 200 Mock Street"  
"Approximately 1 sic after being on the scene Before making contact with 200 mock street, Sgt. Gainey and PTL Kanipe heard a gunshot in the immediate area" The county claims that they were there in support of the city. We believe that 206B was entered and searched without cause and unlawfully when no other places were entered on the report, which caused tremendous trauma to Malcolm DJ Watts and Mosi A. Bundu. No one on mock street said a gunshot was heard or fired, not at 200 mock street or to the left or right of 206B mock street.

We, believe that the defendants are residents / work in Laurens county which is in the jurisdiction of this county and makes this complaint properly filed in Laurens County.

We, make the complaint on the following that it no other residence was surrounded and entered unlawfully. At the time Mosi A, Bundu had a civil suit against the county which may have been motivation for singling 206B out.

L

**We believe that, because of the above information and a settled case where officers entered a school based on an assumption of drugs with guns and dogs unlawfully searching and traumatizing students, that we are entitled to request a judgment of 750,000 and punitive damages. Including any cost relating to this action.**

**We, state under penalty of perjury that the above is correct and truthful. Except, those based on our information and belief.**
