Re: Robert H. Breakfield, as attorney-in-fact v. Mell Woods
Appeals Case No. 2012-212318

Dear Mrs. Kitchings:

This is in direct response to your letter of November 26, 2012, concerning the transcript. After several delays which included the delivery of unsigned and inaccurate transcript, I finally received the transcript which is being used on October 01, 2012.

The delays were reported to Court Administration, and to the Court of Appeals as we went along. Thank you for allowing my response.

Sincerely,

Mell Woods
