to me

I received from SC Court Administration a copy of your request for the transcript from the above hearing. Since this transcript has never been produced for either party, you would be required to pay for the original. I am currently at the coast of SC and packing up to head back to the Upstate tomorrow ahead of the hurricane. I will send you another email when I am there and settled with a proper letter including the particulars.

I expect the transcript to be approximately 35 pages long. The current page rate is \$3.25 per page plus \$6.95 postage. I require payment in advance. In order to expedite your receipt of the transcript, you may send a money order (no checks, please) in the amount of \$120.70 payable to me at the below address. Since I am retired and receive very few transcript requests, please let me know by email when you have mailed the payment so that I don't waste needless trips checking an empty PO box.

Feel free to contact me at this email address.

Regards,  
Renee Tollison
