The transcript is very short and I estimate it will be around \$40. I can get it to you without requiring prepayment if ? you can assure me that you can process the invoice payment within one week of receipt of the transcript. Otherwise I would need your prepayment.

I can email the transcript to you when it is complete and save you postage charges and waive any email charges or I can add postage to the invoice and mail the transcript. Just let me know what you prefer.
