TO: Whom It May Concern:

SC Court of Appeals

Subject: Progress/State, of Case NO. 2014-000274

This letter is a prayer to the Court concerning the status of the oral argument in my case.

I wish not to offend, insult, or infringe upon anyone's time, judgment, or intelligence.

My case has been officially in the Court of Appeals since Dec 22, 2014. An Oral Argument in said case occurred around about 18 months later on April 20th, 2016.

It has been 14 months and 14 days to the day since the Oral argument.

It is my understanding, that some cases are decided quickly then others. It is also my understanding that some cases take exceptionally longer.

My questions of concern is:

- ① Is my case being currently reviewed?
- ② Is my case current?
- ③ How long does it usually takes for the

panel to render a decision after an oral argument?

Again, I wish not to offend, insult, or infringe upon anyone's time, judgment or intelligence!.

My only intention is to assure that my case is currently active and not dormant, do to any minor mistakes.

So this letter is my pray to the Court. That you please assure to me that my case is not dormant or has been temporarily misplaced or lost in the system.!

Thank you with high regards!!!

Sincerely

~~Steven D. Otts~~
