Hello

S.C. SUPREME COURT

I am writing you because I currently have a pending case in the Supreme Court of South Carolina, appellate case no. 2017-000019. I am currently incarcerated in SCDC Liper Correctional Institution. Per Warden Joel Anderson and Major Clark, Captain Albert Mack, they are refusing to give me access to the law library or access to legal materials I need to prepare my pro se Johnson petition for Writ of Certiorari. The Supreme Court of South Carolina gave me 45 days from September 05, 2017 to send ~~to~~ my petition in. That's impossible for me to meet that deadline because the facility will not give any access to the legal materials I need. I'm formally informing the

Courts of this situation, in hopes
I can be assisted with this
matter. Thank you in advance.
