APPELLANTS' MOTION FOR EXTENSION OF TIME
AND TO AMEND TRANSCRIPT DELIVERY DATE

RECEIVED
SEP 21 2017
SC Court of Appeals

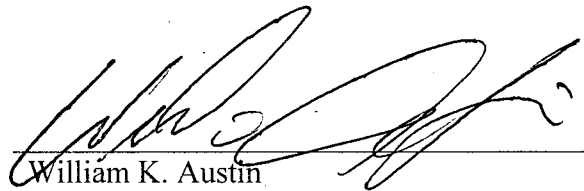

Appellants hereby move for a second extension of time to file the Initial Brief and Designation of Matter to be Included in the Record on Appeal and to Amend the Transcript Delivery Date pursuant to Rule 240, SCACR. Appellants first moved for a time extension on August 18, 2017 on the grounds that Transcript failed to fully record the entire hearing form which this Appeal arises. That motion was granted but Appellants did not receive a copy of the extension Order due to an error in the AIS system that set the deadline to file Initial Brief and Designation of Matter to be Included in the Record on Appeal to September 18, 2017. Appellant's learned of the new due that very same day online.

The grounds for this motion are as follow:

After moving to extend their filing deadline Appellants' counsel, William Austin, set out to prove his suspicion that the Transcript was incomplete. Mr. Austin's suspicion was correct; lines of content were in fact errantly omitted from the Transcript. Although a fully revised transcript has neither been prepared or delivered by the court reporter, but the court reporter did send the missing content to Appellants' attorney on September 7, 2017. Although Appellants' are still awaiting the formal transcript, they are fine with setting the Transcript Delivery Date to September 7, 2017. Under the circumstances, Appellants believe the time to file Initial Brief and Designation of Matter to be Included in the Record on Appeal should be extended to October 7, 2017 in accordance with Rule 208(a)(1), SCACR.

Respectfully submitted,
