Respondents to reply

I, Vincent Rice am compelled to move before this court in response to a initial brief I recently from the respondents,

I recieved a reply brief from counsel Annie Rumber on August 24, 2017. However, I attest the Respondent's brief to be premature and misplaced. The reason is, the reply came before the court accepted and filed a initial brief from me.

On August 10, 2017, the court office issued a letter that was received by me on August 14, 2017, informing me to "correct" several deficiencies and resubmitted my brief within the allotted time.

I corrected the deficiencies and served my copy on August 22, 2017 therefore my brief could not have been filed before August 24, 2017. The Respondent's "reply" was served on August 27, 2017 and is premature because it can not adequately answer my claims.

In conclusion, I move for the Respondents to reply to my newly submitted brief/claims and to answer all the separate claims thereof.

Respectfully,

Vincent Rice
