Re: Daniel E. Brunson v State
Appellate Case #. 2017-001244

S.C. SUPREME COURT

Dear Justice Beattie,

This letter is being written on my behalf by one of the law clerks here at Turbeville Prison. I'm legally blind a review of my personal history will prove as much. I have no means of doing any prose work, neither do I understand what prose means. I'm a person with diminished capacity, a man of common knowledge and the language of the law is nowhere encoded in my mental rolodex.

I'm requesting that your honor Justice Beattie of the Supreme Court of South Carolina take this case as a case of exceptional circumstances. Based on the agency of S.C.D.C. being unwilling to provide me with the special needs assistance to comply with the court's order dated 9-13-17, as required by the American Disabilities Act.

S.C.D.C. has in their Inmate Disciplinary System Policy OP-22.14 section 845 Unauthorized Services/Piddling (Handicrafts): No inmate shall provide or attempt to provide professional services

of handicrafts for any person for any reason whether it's for profit or not.

Attached is copies of letters of communication between Robert M. Pachak and I. I'm asking that your exceptional unbiased knowledge and interpretation of the law and everything that is applicable to a person in my capacity.

Best Regards

Daniel E. Brunson

Re: Your case

Dear Mr. Brunson:

I am the lawyer who will be handling your case in the Supreme Court. I will be reviewing the record of the proceedings at the Post Conviction Relief (PCR) court to see what legal errors to present to the Supreme Court on your behalf. I will submit these in the form of a Petition for Writ of Certiorari.

When I file the petition, I will send you a copy of all relevant hearing transcripts and material in the form of an appendix. Only information that was in front of the PCR judge can be included in the Appendix.

You must be patient while the court considers your case. The process is very slow, but there is nothing I can do to speed up the process. It may be a few months before I submit a petition to the Supreme Court and at least a year after that before the Court decides your case. **Some cases take even longer.** You will be notified when the Court makes a decision and letters asking the status of your case do not speed up the process.

Please keep these points in mind. The Supreme Court can only consider the information that was before the PCR court. Any new information cannot be brought to their attention at this point. In addition, the issue must have been addressed in the PCR court's order of dismissal before it can be raised to the Supreme Court.

The court decides the case based on the written material submitted by the attorney general's office and me. It very rarely sets oral arguments, which are an opportunity for me to focus its attention on the information in the petition. If you are in prison, you cannot attend.

In addition, we are not able to visit our clients personally but feel free to call collect.

Be assured that I will try my best to find reversible error. I will submit the best petition I possibly can to the Supreme Court.

I receive a tremendous amount of mail and I may not be able to respond to all letters. However, you are free to telephone me collect. An SCDC Telephone Privilege Request has already been submitted for the following number: (803) 734-1330. **Please record your full name on the recording. We cannot accept a collect call with a nickname or partial name.** This is the preferred method of us communicating. Regardless, rest assured if you write me a letter about your case, I will read it and carefully consider it as I decide which issue or issues to submit to the appellate court. Please note that the decision about which issues to submit is mine. Only if I submit a "no merits" or Johnson petition, stating that I could not find any good issues, will the court let you submit your own legal arguments.

Finally, if you are transferred to another facility or released, you must write and let me know where you are. The Department of Corrections will not notify us of your new address.

I hope this letter answers some of the questions you may have at this time. Again, please do not hesitate to contact me by letter if you have any questions or I may be of further assistance.

Sincerely,

Robert M. Pachak
Appellate Defender

Dear Mr. Pachak,

This letter is being written on my behalf by one of the library clerks on my behalf. Firstly let me explain to you that I am legally blind, I've been that way my whole living years. You made mention that my case is going to the Supreme Court, and I don't understand how. Is it safe to say that I may suffer from lawyer abandonment in that regard? No documents were sent to me by Lance Boozer stating that anything was going to the supreme court. According to S.C.A.C.R. Rule 907 professional conduct: Rule 1.4 communication; Rule 1.3 diligence; Rule 1.1 competence; Lance Boozer lacked according to these Rules. As well as Rule 1.14

client with Diminished Capacity, Being that I am legally blind, a person of ordinary knowledge and not trained in the language of the law

Also I have striking information regarding possible professional misconduct in office.

Attached you will see a copy of a letter from James C. Campbell, Clerk of Court for Sumter County stating that I did not have a hearing on 6/4-14, attached also is a transcript stating otherwise. According to 25 S.C. Jur Rules of Civil Procedure. §77.0 Courts and Clerks (d) notice of orders or judgments; §78.0 Clerks of Court, Records, Abstracts, Books (a) Records to be kept. Penalties; (c) Other Books and Records of the Clerk, these are things that the clerk must know and shall follow. This is habitual negligence, violations of ethical duties and crimes of moral turpitude that you have a duty to report.

12 S.C. Jur. GOVERNORS §15 Neglect of Office
6 S.C. Jur. Clerks of Courts §9 Discipline and Removal

8 S.C. Jur. Public Officers and Public Employees §69. Ethical Duties

Lance S. Boozer, James C. Campbell and The Honorable Michael G. Nettles are all in cahoots, and violated my constitutional

rights, human rights (according to the Declaration of Human Rights adopted on 12-10-1948) and my inalienable universal rights.

You have a duty to report these allegations once you do a thorough investigation into this matter that you have agreed to represent me on. You must and shall not abandon me or withdraw from protecting my constitutional, human and universal rights. In my diminished capacity I ask that you take a moment of your time to come and visit me here at Turbeville Correctional. An immediate response in this regard will be greatly appreciated.

Best Regards

Re: Your Case

Dear Mr. Brunson:

I received a letter from you on August 4th complaining of ethical problems at the lower court level. Please be advised that I was only appointed to handle the appeal of your post-conviction relief matter. If you think there were ethical problems you should report them to the Office of Disciplinary Counsel at P.O. Box 12159, Columbia, SC 29211.

Dear Ms. Coggiola,

This letter regards lawyer misconduct, habitual negligence, failures to report misconduct in office and various forms of crimes of moral turpitude. Attached you will see a copy of a letter to Robert M. Pachak stating claims of misconduct on behalf of Lance Boozer, James C Campbell and the Honorable Michael G. Nettles.

Also attached is a letter from Robert M. Pachak dated Aug 17, 17. According to S.C.A.C.R 407 Professional Conduct, section Rule 8.3 Reporting Professional Misconduct (b), (c), Robert M. Pachak had a duty to investigate and his letter dated Aug 17, 17 clearly shows his refusal to adhere to this rule.

I am a blind inmate, housed at T.C.I, since I have been here all my legal mail is written by the law clerks, I'm totally at a disadvantage and have to put my trust in

them to correctly file my legal paperwork for me so I am putting you on notice of my allegations and my diminished capacity.

The request is that you thoroughly investigate all documents, meticulously point out all and any known lawyer misconduct and oath of office violations, clerk of court duty failures and oath of office violations and judicial misconduct and oath of office violations. Your immediate attention shall be given to this matter for it involves direct miscarriage of justice.

Best Regards

Re: Daniel E. Brunson v. State
Appellate Case No. 2017-001244

Dear Petitioner:

Your counsel has submitted a petition for writ of certiorari indicating that this appeal is without merit and moves to be relieved as your counsel. *Johnson v. State*, 294 S.C. 310, 364 S.E.2d 201 (1988). The records of this Court reflect that counsel served you with a copy of the Petition and Appendix.

You may, within forty-five (45) days of the date of this letter, file with this Court a *pro se* response to the petition filed by your counsel. In this response, you may raise and argue any issues you believe the Court should consider in this appeal. Upon receipt of your *pro se* response or the expiration of forty-five (45) days, the matter will be submitted to the Court for its consideration.

If you do decide to file a *pro se* response, the response must be either typewritten or legibly hand printed, and must have at least a one inch margin on all sides. Further, you will need to only submit one copy of your response, and this copy **should not be stapled or bound in any manner.**

Very truly yours,

A handwritten signature in black ink, consisting of several loops and a long horizontal stroke extending to the right.
