?Hello. I estimate the cost to produce this transcript to be \$181.25 for e-tran, meaning I'll send it via email. Payment prior to production is required. Please note, under our rules, I have 60 days from date of receipt of payment in which to produce the transcript.

If you need an expedited production of transcript, I estimate the cost will be \$226.25 for e-tran, and I will have it to you within seven (7) business days from date of receipt of payment. Again, payment is required prior to transcript production.
